

Proud to be ISO 27001 certified

We have obtained the ISO 27001 Information Security Management Standard Certification

In today's highly digital world, information security is of the utmost importance. Therefore, we are proud to announce that our hard work and dedication has paid off and that we are now officially certified for the ISO 27001 Standard on Information Security.

But that's not all ... We are actually the first full-service Belgian independent law firm to earn this certification.

What this means for you? Well, this certification proves that you can fully trust us with the management of your information.

By becoming ISO 27001 certified, we also reinforce our position as a leading law firm in Belgium and beyond. This achievement demonstrates that we are dedicated to providing you an unrivalled level of service. It is proof that we are able to accomplish anything we set out to do.
