

Healthcare & Life Sciences Lunches

LOYENS L LOEFF

Date: 2019-10-22

**Tervurenlaan 2
1040 Brussels
Belgium**

The Healthcare & Life Sciences industry is at the forefront of innovation, while at the same time being heavily regulated. At Loyens & Loeff, we assist our clients in navigating this complex and ever-changing environment.

Our legal experts will discuss recent developments and their impact on your day-to-day practice:

Session 1

- **Public procurement in the healthcare sector:** the latest tips & tricks for hospital tenders - **Valentijn De Boe**, Counsel, Public Law
- **The rise of Artificial Intelligence in healthcare and life sciences:** legal and ethical considerations (product liability, GDPR, etc.) - **Stéphanie De Smedt**, Senior Associate & **Wannes Buelens**, Associate, Litigation & Risk Management

Session 2

- **HR tips & tricks**, focussing on the protection of knowhow/clientele in an employment context and an update on whistleblowing – **Danaïis Fol**, Associate & **Vincent Marcelle**, Associate, Employment & Benefits
- **Advertising, sponsorships and brand/IP protection:** recent developments and lessons for medical device and life sciences companies - **Stéphanie De Smedt**, Senior Associate & **Garance Dekeyser**, Associate, Litigation & Risk Management

Programme may be subject to slight changes – Time for Q&A is included in each topic.
