

(junior) IP-IT-Data Protection lawyer
26/02/2019

Company description:

AKD is a leading Benelux law firm, with offices in the Netherlands, Belgium and Luxembourg. With a team of 280 committed professionals, AKD delivers high quality legal services, based on a full-service approach.

The IP-IT-Data Protection team covers a broad range of matters including IP rights management, IT transactions, Data protection compliance and litigation relating to these fields of law. As well as getting a variety of quality work, associates in the team also benefit from the knowledge and experience from a leading Benelux law firm, offering you the best environment to specialize and develop your talents.

Function

For our **Brussels** office, we are looking for a (junior) IP-IT-Data Protection lawyer.

Searched profile

The ideal candidate:

- Has obtained his/her law degree in Belgian law with strong academic results and has a foreign LL.M;
- Has between 1 – 4 years experience in IP-IT-Data Protection law in Belgium with a leading Belgian or international law firm;
- Is a team player aiming for excellence; and
- Has excellent drafting skills and is fluent (oral and written) in Dutch and English. A good command of French would be appreciated (other foreign languages being an asset).

Contact

If you need further information, please contact Mrs. Astrid Andriessen (email: AAndriessen@akd.eu). We are looking forward to receiving your CV and motivation letter by email at AAndriessen@akd.eu.
