BELLIS

**Van Bael & Bellis** co-founder of the **Legal Diversity and Inclusion Alliance (LDIA)**, is very proud to sponsor **DIApositief**, a wonderful Diversity & Inclusion project of the Dutch-speaking Brussels Bar. **DIApositief** is a programme designed to raise the awareness of young people from a migrant background to study law, and, by extension, to aspire to a career in the legal profession.

Brussels is entitled to a diverse and inclusive legal profession. We look forward to actively participating in this project. More information can be found at: <https://diapositief.brussels/>
