- Corporate & commercial law
- Data protection and digital law
- M&A/transaction law
- Tax law
- Employment law
- EU, Competition & Trade law

In order to face their growing legal services business, EY Law is currently looking for an experienced senior lawyer with a passion for data protection and digital law and 4-7 years of relevant experience.

EY Law's data protection and digital law team mainly focuses on data protection, cybersecurity, e-commerce, IT, AI and social media.

### Function

The function will include:

- Assisting and/or taking the lead in client files mainly related to digital law matters, in particular with regard to data protection, cybersecurity, e-commerce, IT, AI,...;
- Acting as main point of contact towards our clients, reporting back to the team and providing guidance to our junior lawyers;
- Assisting in business development and working on innovative solutions for our clients, active in diverse industries and sectors;
- Collaborating with members of various other teams within our firm and with other firms across multiple locations.

## Searched profile

- You have 4 to 7 years post-qualification relevant experience in a reputable law firm;
- You are able to demonstrate a breadth of relevant knowledge and experience of data protection law. Knowledge and relevant experience in e-commerce, IT and/or IP are a plus;
- You are fluent in written and spoken Dutch or French and English;
- You have a hands on approach and have the ability to think strategically with the client towards pragmatic solutions;
- You are keen on working in a challenging, yet team-based environment and have the ability to manage your own case load, yet delegate and supervise junior lawyers where appropriate;
- You are a real team player and endorse values such as respect and integrity.

## Offer

- Working in a next generation law firm that stands at the forefront of innovation;
- Next to our interesting salary package, we give room for personal development in an expanding business;
- Being part of a dedicated, professional and driven team, we offer an intellectually challenging role within a reputable and fast growing law firm and ample opportunities to evolve.
