

## Attorney-at-law (2 positions) 31/10/2020

### Company description:

**& DE BANDT** is a multidisciplinary team of talented lawyers highly equipped to help clients meet the legal challenges that digital innovation, new business models, climate neutrality and other game-changing evolutions bring in our daily lives and in the European economy.

Not only are we specialized in the fields of law which are at the core of these challenges (EU Law, Competition Law, Regulatory, Public Procurement, IP and Technology, Privacy and Data Protection, etc.), but we also focus on the most innovative, flexible and creative solutions and are determined to always provide added value to our clients' activities. As such, we make sure that our clients benefit from the opportunities offered by today's and tomorrow's societal changes.

Our distinct legal approach is also reflected in the way we are organized and provide our services. As a fully independent law firm, we offer a high degree of flexibility and availability to our clients and we are at our best when confronted with the most complex legal questions. These are always dealt with by a team of our expert lawyers so that we can adopt a panoptic view and find the best angle(s) to tackle each question and to adequately defend the business of our clients.

### Function

We are looking for **two associates with 1 to 3 years of experience** to help grow our practice.

The successful candidate will be involved in all aspects of Belgian and European economic law, including competition law, internal market legislation, network legislation, public procurement law and contracts with public law entities. In those areas, you will handle high profile advisory and litigation matters before the civil and administrative courts.

You will work as an integrated team member under the direct guidance of the responsible attorney-partners and in close cooperation with the other members of our highly qualified team.

### Searched profile

You obtained a Belgian law degree with excellent academic credentials.

Besides a strong academic record, you ideally have 1 to 3 years of professional experience. Experience in litigation before the civil and administrative courts would be an asset.

You are a proactive and highly motivated professional. Your legal, organizational and communication skills are impeccable. You are a team player and you enjoy a job well done.

We are looking for a native Dutch speaker, with fluent command of French and English.

### Offer

We offer competitive remuneration in a pleasant and enthusiastic working environment.
