

Trends Legal Awards to skip 2020

It appears that there will be no Trends Legal Awards in 2020. Roularta Media, who organizes the event, has informed the jury members that the event will be postponed to 2021, with preparations starting in spring of 2021. In its message, the company indicated that under the present circumstances, it would be extremely difficult to organize a proper nomination and selection process for the awards.
